FINANCIAL ASSISTANCE

Please inquire about our **Financial Assistance** program, which is confidentially evaluated and administered on a need basis. Applications are available at the The Learning Circle YMCA or online at www.theSAY.org.

When you entrust your child to the Y, we strive to fulfill our promise to make each day an opportunity for your child to learn, grow, and thrive. We aim to make our facility a home-away-from-home, where your child feels confident and secure to learn new things and discover his/her potential.

The Kindergarten Wrap program is designed for children enrolled in half day kindergarten and offers an extended day option by providing flexibility for working parents. The Learning Circle YMCA provides lunch. Our program enriches your child's day with fun, educational, and creative activities. The program is dedicated to fostering your child's total growth and well-being. Activities may include: enrichment classes, computer, cooking, games and sports, arts and crafts, special project, educational and fun trips.

The Y provides bus transportation for our Kindergarten Wrap students to and from Salt Brook School, Wilson Primary School, and Jefferson Primary School. Transportation is based on the number of students enrolled from these locations. (Minimum of 5 students required to drop off/pick up.)

We are proud to be a part of **Healthy U**, an award-winning, statewide initiative to combat childhood obesity in the child care setting. The Healthy U program uses the **CATCH** (Coordinated Approach to Child Health) curriculum to educate children about healthy eating and incorporates 30 minutes of physical activity at least three times during the week. The program also provides parents with valuable tips and suggestions to use at home for overall family wellness.

On certain school holidays, such as teacher conventions, winter and spring vacations, **Holiday Care** may be used at The Learning Circle YMCA **based on availability and when the Center is open**. The fee for Holiday Care is \$125/day, 8:00am - 6:00pm. Please note, that you will be provided with a calendar of closings.

Positive role models are critical to a child's development. Our **caring and qualified staff** have been working with young children for many years and their experience and enthusiasm in education and child development creates a warm, fun, and nurturing and caring environment for our kindergartners. We weave our core values of caring, honesty, respect and responsibility into all that we do, because we believe that foundational values and skills learned early in life form the building blocks that lead to a happy, healthy and centered person.

Kindergarten Wrap Child Care program registration begins in March 2016 and must be done in person. For more information or to register, please contact:
