# SUMMER CAMP 2016

EXPLORE, CREATE, & DISCOVER

# WELCOME!

## CAMP MISSION

For more than 80 years, the Summit Area YMCA has provided our community's children with safe and exciting opportunities to explore, learn, create, and discover the world around them. To prevent summer learning loss, the Y is here to stimulate and encourage creativity and individuality in every camper.

At the Y, campers will:

- Be inspired to carry out the Y core values of caring, honesty, respect and responsibility
- Learn an appreciation for diversity
- Become better leaders
- Have a ton of fun!

## SAFETY IS OUR PRIORITY

The American Camp Association (ACA) accredits each of our day camp programs. This independent body establishes standards for key aspects of camp operation, program quality, health and safety of campers. The ACA accreditation includes an on-site visitation every three years. Additionally, YMCA day camp staff are trained in CPR and First Aid.

## LETTER FROM THE CAMP DIRECTOR

Dear Parents,

We are looking forward to a summer full of fun and excitement, where your children will have the opportunity to create lasting memories and build lifelong friendships.

From sports and swimming to arts and science, we have options to fit every child's interests. Our enthusiastic camp staff will serve as positive role models while providing your child with the best possible camp experience. Our camps are accredited by the American Camping Association (ACA) and our staff goes through rigorous training in order to ensure the safety and well-being of every camper.

Registration and early bird pricing begins January 11, so please mark your calendars. We can't wait to see you!

Sincerely,

Kelly McHugh  
Camp Director

# OUR MISSION IN ACTION

"I'm a shy person, but the Y has always been a comfortable place for me to be more confident when meeting new people. I was able to attend the Teen Trek camp these past few summers because the Y provided me and my mom financial assistance. During the year I enjoy playing soccer and other sports, but what I really look forward to is summer camp because I get to hang out with my old friends, make new ones, and do fun activities each day."

— Gerard, Summit Area YMCA Member

## IMPACT A CHILD'S LIFE PREVENT SUMMER LEARNING LOSS

### With \$250, a child in need can attend **ONE WEEK** of camp

That's one week of summer learning loss prevention filled with healthy and fun activities that keep children inquisitive and busy. A week of learning and encouragement from strong role models and of making long lasting memories while meeting new friends.

**One week can make all the difference**

"Jack absolutely loved camp. This was his first year and he was nervous at first, but the counselors were awesome and made him feel very comfortable. He still sings his camp songs and talks about it all the time! He made lots of new friends and really enjoyed every moment. I plan to send him back next year!"

— Samantha, Summit Area YMCA Member

## FINANCIAL ASSISTANCE: Y CARES

Every child should have the opportunity to experience a YMCA camp. Families may apply for financial assistance for membership or programs like child care and camp to those in need. Financial assistance is determined on a sliding scale based on total household income and number of dependents, and is available for every branch of the Summit Area YMCA. The need for financial assistance is reassessed every six months. The process is confidential and application forms are available at each of our three branches or online at [www.theSAY.org](http://www.theSAY.org).

\*Applicants must live within the Summit Area YMCA service area: Springfield, Millburn, Short Hills, Summit, New Providence, Berkeley Heights, Gillette and Stirling.

"My kids loved the positivity and enthusiasm of the camp counselors. It helped them settle physically and emotionally into their new environment, having recently moved from the west coast. My daughter loved the color wars, and my son learned sportsmanship and the value of kindness in Sports Camp. Summer camp at the Summit Area YMCA became their home away from home. They will be back next year!"

— Nancy, Summit Area YMCA Member
