Child Abuse Prevention CODE OF CONDUCT

- | | |
|--|---|
| <ol style="list-style-type: none"> 1. In order to protect Y staff, volunteers, and program participants - at no time during a Y program may a staff/volunteer be alone with a single child where they cannot be observed by others. As staff/volunteers work with or supervise children, they should space themselves in a way that other staff can see them. 2. Staff/Volunteers shall never leave a child unsupervised. 3. Restroom supervision: No child, regardless of age, should ever enter a bathroom alone. Staff/Volunteers will make sure the restroom is not occupied by suspicious or unknown individuals before children enter. Children should be taken together as a group with staff/volunteers supervising. Staff/Volunteers will stand in the doorway while children are using the restroom. This policy allows privacy for the children and protection for the staff/volunteer (not being alone with a child). 4. Staff/Volunteers should conduct or supervise private activities in pairs - diapering, putting on bathing suits, taking showers, etc. When this is not feasible, staff/volunteers should be positioned so that they are visible to others. 5. Staff/Volunteers shall not abuse children including: <ul style="list-style-type: none"> · physical abuse - strike, spank, shake, slap; · verbal abuse - humiliate, degrade, threaten; · sexual abuse - inappropriate touch or verbal exchange; · mental abuse - shaming, withholding love, cruelty; · neglect - withholding food, water, basic care, etc. Any type of abuse will not be tolerated and may be cause for immediate dismissal. 6. Staff/Volunteers must use positive techniques of guidance, including redirection, positive reinforcement and encouragement rather than competition, comparison and criticism. Staff/Volunteers will have age appropriate expectations and set up guidelines and environments that minimize the need for discipline. Physical restraint is used only in pre-determined situations (necessary to protect the child or other children from harm), is only administered in a prescribed manner and must be documented in writing. 7. Staff/Volunteers will conduct a visual check of each child each day as they enter the program, noting any fever, bumps, bruises, burns, complaints of illness, etc. Questions or comments will be addressed to the parent or child in a non-threatening way. Any questionable marks or responses will be documented. 8. Staff/Volunteers respond to children with respect and consideration and treat all children equally regardless of sex, race, religion, culture. | <ol style="list-style-type: none"> 9. Staff/Volunteers will respect children's rights to not be touched in ways that make them feel uncomfortable, and their right to say no. Other than diapering, children are not to be touched in areas of their bodies that would be covered by a bathing suit. Exceptions to this would include safety reasons and spotting in physical activities such as gymnastics and swimming. 10. Staff/Volunteers will refrain from inappropriate or unwelcome displays of affection toward others or children. 11. While the Y does not discriminate against an individual's lifestyle, it does require that in the performance of their services to the Y, they will abide by the standards of conduct set forth by the Y. 12. Staff/Volunteers must appear clean, neat, and appropriately attired. 13. Using, possessing, or being under the influence of alcohol or illegal drugs during working hours is prohibited. 14. Smoking or use of tobacco in the presence of children or parents during working hours is prohibited. 15. Profanity, inappropriate jokes, sharing intimate details of one's personnel life, and any kind of harassment in the presence of children or parents is prohibited. 16. Staff/Volunteers must be free of physical or psychological conditions that might adversely affect children's physical or mental health. If in doubt, an expert should be consulted. 17. Staff/Volunteers will portray a positive role model for youth by maintaining an attitude of respect, loyalty, patience, courtesy, tact, and maturity. 18. Staff/Volunteers may not be alone with children they meet in YMCA programs outside of the YMCA. This includes babysitting, sleepovers, and inviting children to your home. Any exceptions require a written explanation before the fact and are subject to administrator approval. 19. Staff/Volunteers are not to transport children in their own vehicles. 20. Staff/Volunteers may not date program participants under the age of 18 years of age. 21. Under no circumstance should staff/volunteers release children to anyone other than the authorized parent, guardian, or other adult authorized by the parent or guardian (written parent authorization on file with the YMCA). 22. Staff/volunteers are required to read and sign all policies related to identifying, documenting, and reporting child abuse and attend trainings on the subject, as instructed by their manager. |

I understand that any violation of this Code of Conduct may result in termination of service activities.

Child Abuse Reporting Procedures

The Summit Area YMCA advocates a positive guidance and discipline policy with an emphasis on positive reinforcement, redirection, prevention and the development of self discipline. At no time will the following disciplinary techniques be tolerated: physical punishment, striking, biting, kicking, squeezing, shaming, withholding food or rest room privileges, confining children in small locked rooms or verbal or emotional abuse.

An affectionate touch and the warm feelings it brings is an important factor in helping a child grow into a loving and peaceful adult. However, Y staff and volunteers need to be sensitive to each person's need for personal space (i.e., not everyone wants to be hugged). The Y encourages age appropriate touch that helps children develop feelings of trust, security and self esteem. However, at the same time, it prohibits inappropriate touch - touch that exploits a child or touch initiated by an adult for the adult's gratification, or other means of sexually exploiting children.

In the event that there is an accusation of child abuse, the Y will take prompt and immediate action as follows:

1. At the first report or probable cause to believe that child abuse has occurred, the employed staff person it has been reported to (supervisor) will notify the program director, who will then review the incident with the Y's Executive Director or his/her designate. However, if the program director is not immediately available, this review by the supervisor cannot in any way deter the reporting of child abuse by the mandated reporters. Most states mandate each teacher or child care provider to report information they have learned in their professional role regarding suspected child abuse. In most states, mandated reporters are granted immunity from prosecution.
2. The Y will make a report in accordance with relevant state or local child abuse reporting requirements and will cooperate to the extent of the law with any legal authority involved.
3. In the event the reported incident(s) involve a program volunteer or employed staff, the Executive Director will, without exception, suspend the volunteer or staff person from the Y.
4. The parents or legal guardian of the child(ren) involved in the alleged incident will be promptly notified in accordance with the directions of the relevant state or local agency.
5. Whether the incident or alleged offense takes place on or off Y premises, it will be considered job related because of the youth-involved nature of the Y.
6. Reinstatement of the program volunteer or employee staff person will occur only after all allegations have been cleared to the satisfaction of the persons named in #1 above.
7. All Y staff and volunteers must be sensitive to the need for confidentiality in the handling of this information, and therefore, should only discuss the incident with the persons named in #1 above.

All full time and part time employees and program volunteers must read and sign this policy.
