SUMMER CAMP

EXPLORE, CREATE, & DISCOVER

SUMMIT AREA YMCA | JUNE 18 - AUGUST 31

REGISTRATION BEGINS JANUARY 8, 2018

WELCOME!

CAMP MISSION

For more than 80 years, the Summit Area YMCA has provided our community's children with safe and exciting opportunities to explore, learn, create, and discover the world around them. To prevent summer learning loss, the Y is here to stimulate and encourage creativity and individuality in every camper.

At the Y, campers will:

- Be inspired to carry out the Y core values of caring, honesty, respect and responsibility
- Learn to appreciate and incorporate diversity
- Make friendships, become stronger leaders, encourage team work
- Have a ton of fun!

SAFETY IS OUR PRIORITY

The American Camp Association (ACA) accredits each of our day camp programs. This independent body establishes standards for key aspects of camp operation, program quality, health and safety of campers. The ACA accreditation includes an on-site visitation every three years. Additionally, YMCA day camp staff are trained in CPR and First Aid.

LETTER FROM THE CAMP DIRECTOR

Dear Parents,

We are looking forward to a summer full of fun and excitement, where your children will have the opportunity to create lasting memories and build lifelong friendships.

From sports and swimming to arts and science, we have options to fit every child's interests. Our enthusiastic camp staff will serve as positive role models while providing your child with the best possible camp experience. Although several of our camps are accredited by American Camp Association (ACA), all of our camps follow the ACA guidelines. Our staff go through rigorous training in order to ensure the safety and well-being of every camper.

Registration and early bird pricing begins January 8, so please mark your calendars. We can't wait to see you!

Sincerely,

Kelly McHugh
Camp Director

OUR MISSION IN ACTION

"As a working mother, Y aftercare and holiday care makes my life so much easier. I worry less because the Y is convenient and offers quality care for when I need it — especially when school is closed! The Y takes Carina to her enrichment classes for me and she has learned new things like knitting while in aftercare. She loves arts and crafts and always has so many stories for me when she comes home. Carina is learning all about American culture, making new friends, and getting exposed to new people and ideas. My life is more relaxed and best of all, Carina is happy."

— Yan,
Summit Area YMCA Member

"LIT Camp made me a more confident person because I had to work on my leadership and team skills and get my CPR certification. I learned how to write a resume, what to wear and how to behave in an interview -- really important things that will make me better prepared for job hunting in the future. I really enjoyed my counselors and supervisors who were patient, fun, and always took the time to make sure we were learning and doing things right. Since LIT Campers are learning how to become camp counselors, I saw that I can be a role model and I understand the importance of how my actions and behavior can make a positive impact on younger campers. I will definitely do LIT Camp again next summer."

— Harry,
Summit Area YMCA Member

"I am learning freestyle, backstroke, and how to float — I didn't know how before I came to the Y. You don't have to be scared because the teachers and lifeguards are there to teach you. Swim lessons prevent accidents. I am really glad the Y has free Learn to Swim classes."

— **Innocence,**
Summit Area YMCA member

The process is confidential and application forms are available at each of our three branches or online at www.theSAY.org.

*Applicants must live within the Summit Area YMCA service area: Springfield, Millburn, Short Hills, Summit, New Providence, Berkeley Heights, Gillette and Stirling.
