**FINANCIAL ASSISTANCE**

Please inquire about our **Financial Assistance** program, which is confidentially evaluated and administered on a need basis. Applications are available at The Learning Circle YMCA or the Summit YMCA branches or online at [www.theSAY.org/fa](http://www.theSAY.org/fa).

**MEMBERSHIP**

The YMCA is a membership organization and participation in any youth program or service requires an annual youth membership. The benefits are many and include: early registration for youth classes, reduced rates for enrichment classes, family fun night, open gym time and family swim time. For off-site child care, membership at the YMCA is required.
When you entrust your child to the Y, we strive to fulfill our promise to make each day an opportunity for your child to learn, grow, and thrive. Our School Age Child Care program partners with parents to nurture the potential of School Age children (grades K-5) in a convenient, fun, safe, and supervised environment with trained professionals. This School Age Child Care Program transports children from the Summit Public Schools and Salt Brook Elementary School in New Providence via school bus to the Summit YMCA when school dismisses. This includes single session (half) days. The program runs until 6:00 PM, and Extended Care is available until 6:30 PM for an additional fee.

Each day in our School Age Child Care program, children experience a combination of scheduled, organized activities, as well as choice time all while being closely supervised. Our program includes:

- Daily healthy snack provided by The Learning Circle YMCA.
- Science, Technology, Engineering, Art, and Math (STEAM) focused activities.
- SAY Fit kids, where children learn about the importance of staying active and being healthy.
- Scheduled homework time.
- Planned gross motor activities.
- Character education through the Four Core Values (Honesty, Caring, Respect, Responsibility).
- Special events such as Outreach Programs and local trips in the community.
- Weekly communications via e-mail which include photos, lesson plans, and Newsletter (monthly)

School Age Child Care program registration begins in March and can be done online. For more information or to register, please contact:

**Jhovanna Ibanez**  
School Age Program Director  
jhovanna.ibanez@thesay.org
The early years in each child’s life are vitally important to the person he/she will become. We provide a nurturing, stimulating and happy environment for children, ages 6 weeks through kindergarten, to feel secure to discover their potential as they reach developmental milestones. Our goal is to provide each child with a strong foundation to ensure a bright future.

With over 60 years of experience, our state-licensed facility is one of the most well-respected and experienced early education and child care programs in the community. We give parents peace of mind as they go to work comfortably knowing their child is nurtured, growing and safe. We offer full-time, full or part-week options to meet your needs and offer flexibility for your schedule. Financial assistance is available.
