FACILITY ACCESS CARDS

If you are entering the Y to pick-up or drop-off a program participant and are not a Y member, you'll need an access ID card. Access ID cards are issued individually and are not transferrable. To receive your access ID card and take your photo, visit the membership desk of the Berkeley Heights YMCA or Summit YMCA. A government issued photo ID must be presented for anyone over the age of 18. Prior to entering any YMCA facility, all visitors must complete our participation waiver online at www.thesay.org/waiver. After receiving your access ID card, you may use the SAY Mobile App to scan in for convenience.

FOR YOUR SAFETY

As your safety, and that of your family's is always our primary concern, all YMCAs conduct regular sex offender screenings on all members, participants and guests. If a sex offender match occurs, the YMCA will cancel membership, end program participation, and remove visitation access.

PARENT INFORMATION

In an effort to keep our children safe and to remind parents, nannies, and caregivers of the YMCA policy for minors: Any child that is under 11 years old must be accompanied by a parent or guardian in the facility. The parent does not need to be a member, but does need to stay with the child at all times.

QUESTIONS?

If you have specific questions or comments about the Summit Area YMCA, please contact us. We continue to make improvements to better serve our community and your ideas and feedback are important to us.

YOUTH AQUATICS PROGRAMS

At the Summit Area YMCA, we believe in the importance of water safety and that everyone should be comfortable in and around water. Our swim programs help build strong, secure, connected and confident swimmers and ensure that anyone can learn to swim at any age! We offer a variety of swim lessons, water exercise classes, lap swim sessions, lifeguard training, competitive swim programs and more!

YOUTH SWIM LESSONS

Youth group swim lessons are available for children ages 3+ and are taught by Swim Instructors who have been trained in the American Red Cross swimming program as Water Safety Instructors (WSI). Instruction levels are designed using the Red Cross's Learn-to-Swim Levels, all which are adjusted to suit the needs of our members. Students learn personal water safety and achieve basic swimming competency by learning benchmark skills.

PARENT & ME

With a parent present in the water with the child, infants and toddlers from 6 months to 3 years learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences. This introductory course lays a foundation for learning to swim. Infants and toddlers are introduced to the aquatic environment through exploration, encouraging them to enjoy themselves while learning about the water. Parents learn about water safety, drowning prevention, and the importance of supervision. One parent* must be present in the water per child registered.

PRIVATE

Private swim lessons are booked as 4 lessons per session to all members, ages 3+, regardless of swimming abilities or experience. Lessons are 30-minutes long and guarantee one-on-one lessons tailored to the needs of the swimmer. Private lessons are recommended to those who are looking for a custom and personalized swim lesson experience.

FOR SOCIAL RESPONSIBILITY

Giving back and providing support to our neighbors.

As a non-profit 501 (c)(3) organization, the generosity of others is at the core of the Y's existence. The Summit Area YMCA embraces the Y's mission and furthers its cause thanks to the support of our members, staff, community partners, volunteers, and generous donors.

FINANCIAL ASSISTANCE

Since 1886, we at the Summit Area YMCA have dedicated ourselves to serving everyone in our community, regardless of their ability to pay. Last year, over 950 families received financial assistance to help alleviate the costs of membership, sports, childcare, and other fees. We are here to serve our community and thanks to our wonderful donors, we can do just that.

FOOD INSECURITY

Year round, more than 300 families a month received nutritious food through our various food distribution programs. Our partnership with the Community FoodBank of New Jersey has allowed us to provide families with fresh and shelf stable foods weekly, via our Family Packs Program. As partners in the Summit Hunger Coalition, we worked with other local non-profits, such as GRACE, Bridges, and many more to fight hunger locally.

BLOOD DRIVES

Every day, blood donors help patients of all ages including accident and burn victims, heart surgery and organ transplant patients, and those battling cancer. To assist, the Summit Area YMCA, in partnership with the American Red Cross, hosted several emergency blood drives at the Berkeley Heights YMCA and Summit YMCA. Our community showed up and total blood donations estimated over 168 lives saved with 62 pints that were donated by selfless community members.

NEW EYES

Summit Area YMCA has partnered with New Eyes to provide access to vision care and free resources for families to receive free or low-cost eye care and eyeglasses to those who may not have the financial means to afford necessities to better their lives. Having the right corrective lenses makes it possible for children to succeed in school, adults to find employment and function well at work, and for seniors to live safely and independently.

DIAPER & PERIOD PROGRAM

The Summit Area YMCA strives to assist and serve those in need in our community. Many are unaware of a hidden public health issue in our country. More than 2 in 5 people experience period poverty, and 1 in 3 households require diapers. Through the combined efforts of our community and the Community FoodBank of NJ (CFBNJ), diapers and period products will now be available at our food distributions!

SUMMIT ACHIEVE COMMUNITY GARDEN

Last year, we dedicated 8 of the 56 plots in the Summit ACHIEVE Community Garden to grow produce to donate to the two Food Pantries in town – GRACE Food Pantry and Loaves + Fishes out of St. Teresa’s church in Summit. The Community Garden’s contribution is unique in being freshly picked and organically grown. In addition to the plots dedicated to growing food for these programs, gardeners with personal plots regularly contribute from their bounty as well.

The Summit Area YMCA subsidized 4 plots to Summit residents that were identified through the GRACE Food Pantry. We continue to support a plot maintained by the Summit High School Planting Club, which was comprised of approximately 25 high school students who were active from start to finish in cleaning out beds, planting seedlings and harvesting produce. We also hosted the Berkeley Heights YMCA’s Fun on the Farm summer camp introducing children to the garden where they spent the morning identifying vegetables and helped harvest for our Food Pantries in town.
