

SUMMER CAMP 2017

EXPLORE, CREATE, & DISCOVER

WELCOME!

CAMP MISSION

For more than 80 years, the Summit Area YMCA has provided our community's children with safe and exciting opportunities to explore, learn, create, and discover the world around them. To prevent summer learning loss, the Y is here to stimulate and encourage creativity and individuality in every camper.

At the Y, campers will:

- Be inspired to carry out the Y core values of caring, honesty, respect and responsibility
- Learn to appreciate and incorporate diversity
- Make friendships, become stronger leaders, encourage team work
- Have a ton of fun!

SAFETY IS OUR PRIORITY

The American Camp Association (ACA) accredits each of our day camp programs. This independent body establishes standards for key aspects of camp operation, program quality, health and safety of campers. The ACA accreditation includes an on-site visitation every three years. Additionally, YMCA day camp staff are trained in CPR and First Aid.

LETTER FROM THE CAMP DIRECTOR

Dear Parents,

We are looking forward to a summer full of fun and excitement, where your children will have the opportunity to create lasting memories and build lifelong friendships.

From sports and swimming to arts and science, we have options to fit every child's interests. Our enthusiastic camp staff will serve as positive role models while providing your child with the best possible camp experience. Our camps are accredited by the American Camp Association (ACA) and our staff goes through rigorous training in order to ensure the safety and well-being of every camper.

Registration and early bird pricing begins January 9, so please mark your calendars. We can't wait to see you!

Sincerely,

Kelly McHugh
Camp Director

Our Leaders-In-Training (LIT) program is a great opportunity for campers to improve leadership skills, learn how to work with children of all ages and have fun at the same time. LIT campers will receive weekly leadership, staff training and evaluations. They will accompany Camp Cannundus on weekly trips. If interested, any LIT's interested in working as a future SAY camp counselor would need to apply for the position.

OUR MISSION IN ACTION

"LIT helped me better myself and learn how to make other lives better, as well. It taught me about leadership and how my words and actions influence children, especially. I also thought the job trainings were insightful and helped me to decide what I want to do in the future. I look forward to returning to LIT camp next year."

— Michael, LIT Camper & Summit Area YMCA Member

"Lucas loved Y camp. He made new friends and explored new interests that he would not have otherwise been exposed to if he had stayed at home. He really loved the field trips, swimming sessions, and the outdoor games like "doctor doctor" and "shipwreck". As a parent, it made me happy to see him have so much fun and come home tired, but also excited to go back the next day. Y camp helped him stay active, social, and also taught him important values like playing nicely, respecting others, staying safe and being an all-around good kid. I highly recommend SAY summer camp!"

— Chantal & David, Summit Area YMCA Members

“When I lost my job, I was lost. The only clarity I had was that I didn’t want my children to go without. Ashamed and embarrassed, I turned to the Summit YMCA for financial assistance so that my son could attend summer camp. The staff at the Y were very welcoming, caring, and respectful—they made me feel like family and gave me the will to push forward. My son learned skills he wouldn’t have at home. He had fun, gained confidence as a swimmer and how to get along with others. The Y offered my family hope when I felt there was none. With the biggest smile from my heart, I say thank you to the YMCA.”

— **Maiya, Summit Area YMCA Member**

FINANCIAL ASSISTANCE: Y CARES

We believe every child should have the opportunity to experience YMCA summer camp. Families in need may apply for financial assistance for membership or programs like child care and camp. Financial assistance is determined on a sliding scale based on total household income and number of dependents. The need for financial assistance is reassessed every six months. The process is confidential and application forms are available at each of our three branches or online at **www.theSAY.org**.

*Applicants must live within the Summit Area YMCA service area: Springfield, Millburn, Short Hills, Summit, New Providence, Berkeley Heights, Gillette and Stirling.
