

THE Summer They'll *Never Forget* PLACE

SUMMIT AREA YMCA

**2026
SUMMER
CAMP**

OPPORTUNITY FOR ALL

For 140 years, the Summit Area YMCA has helped kids grow with confidence, curiosity, and connection. As a 501(c)(3) nonprofit organization, the Y is dedicated to serving individuals and families of all backgrounds, abilities and income levels. We offer inclusive programs that support youth development, healthy living, and social responsibility.

Thanks to the generosity of our donors, we provide financial assistance to ensure that cost is never a barrier for participation in Y programs and services.

SAFETY FIRST

At the Summit Area YMCA, safety is the foundation of every camp experience. All of our summer camps follow the rigorous standards of the American Camp Association (ACA), and many are fully ACA-accredited through regular on-site reviews. We are also a Praesidium-accredited organization, reflecting our ongoing commitment to best-in-class child protection practices. Every staff member completes extensive training, including CPR, First Aid, emergency procedures, and abuse-prevention protocols, so families can feel confident that their campers are supported, supervised, and safe all summer long.

FROM THE CAMP DIRECTOR

Dear Parents,

We're excited to welcome your family to a summer they'll never forget. At the Y, day camp is more than a season of fun, it's where kids find their next best friend, try new things, and build the kind of memories that last long after August ends.

No matter what sparks your child's interest, movement, creativity, or exploration, they'll find a place to grow and feel at home. Our team is ready to create a summer filled with adventure, friendship, and moments they'll talk about for years to come.

This is their "best summer ever" place. Their summer adventure place. Their "this is where I belong" place. We hope you'll make it your place too.

Sincerely,

Kelly McHugh
Associate Executive Director

REGISTRATION & PAYMENT DETAILS

MEMBERSHIP REQUIRED

An active Summit Area YMCA (SAY) Membership is required to attend and register for our summer camps. If you do not have a SAY Family Membership, you may enroll your child as a Youth or Teen Member. Youth Memberships (0-12) are \$120/year. A Teen Membership (13-17) is \$60/month.

REGISTRATION

Our camp guide is interactive! Simply click on the camp you're interested to register or learn more. Detailed information can also be found by visiting www.thesay.org/camp.

As a benefit of Family Membership, SAY Family Members can save \$10 each week of camp when they sign up before January 19! Use promo code: FAMILY26

To ensure a safe and quality camp experience for all campers, online registration will end 10 days in advance of the start of the camp week. No registrations will be accepted the weekend before the camp week begins. If late registration is accepted, late registration fees do apply. Requests for late registrations must be submitted via the Camp Registrar.

PAYMENT & DEPOSITS

You may reserve a space for your child by paying the full camp fee or with a non-refundable \$50 deposit for each week of camp or \$100 deposit for travel camps. Payments due June 1, June 15, July 1, and July 15 will automatically be charged to the credit/debit card on file unless alternative arrangements are made with the Camp Registrar.

CAMP CANNONBALL

SPRINGFIELD COMMUNITY POOL

AGES 5-13 **WEEK: 2-10**

\$395 **9:00 AM – 4:00 PM**

Camp Cannonball is a high-energy summer experience built around sunshine, movement, and fun at the Springfield Community Pool. Campers spend their days swimming (twice daily), playing sports and group games, getting creative with arts and crafts, and exploring hands-on STEAM activities. Each week features a new theme with a special enrichment activity or event to keep the summer fresh and exciting. With flexible options including half-day enrollment and pre and post-camp care available onsite, we make it easy for every family's schedule.

CAMP CANNUNDUS

SPRINGFIELD COMMUNITY POOL

AGES 5-13 **WEEK: 1-10**

\$395 **9:00 AM – 4:00 PM**

Camp Cannundus brings a beloved summer tradition to an exciting new home at the Springfield Community Pool. Rooted in years of camp history, this classic program continues to offer the friendships, growth, and sense of adventure families know and love, now with even more opportunities to play and explore. Campers enjoy a balanced mix of outdoor discovery and engaging activities, including daily swim, arts and crafts, sports, and team-building games. Weekly highlights like Theme Day, STEAM Day, field trips, and time on the new mini golf course add fresh energy to a timeless camp experience. Each summer day is designed to create stories they'll be telling long after summer ends.

CAMP LAGOONLAND

BERKELEY HEIGHTS YMCA

AGES 5-10 **WEEK: 1-10**

\$415 **9:00 AM – 4:00 PM**

Camp Lagoonland blends the best of pool time and land-based adventure into one well-rounded summer experience. Each day is thoughtfully designed to balance swimming at the Berkeley Heights Community outdoor pool (except on designated trip days) with engaging games, creative arts and crafts, and enriching field trips to local destinations. With a mix of movement, creativity, and exploration, campers build confidence, form friendships, and create lasting summer memories, both in and out of the water.

ARTRAGEOUS

BERKELEY HEIGHTS YMCA

AGES: 5-8	WEEK: 3
\$385	9:00 AM – 12:00 PM

Let your creativity run wild! Campers will dive into a colorful world of painting, sculpting, and mixed-media projects while learning about famous artists and exploring their own unique style. Each day brings new techniques, lots of color, and masterpieces to take home! Campers will also take a trip to Color Me Mine!

CULINARY CREATORS

SUMMIT YMCA

AGES: 5-8	WEEK: 3
\$385	9:00 AM – 12:00 PM

Ever wonder what makes the perfect pizza crust, how ice cream becomes the ultimate sundae, or what it really takes to hand-roll a bagel? In this delicious week-long adventure, campers will visit some of our favorite local restaurants to uncover the secrets behind their signature creations. Kids will enjoy behind-the-scenes kitchen tours, learn tips and tricks from talented local chefs, and of course, sample plenty of incredible food along the way. It's hands-on culinary exploration at its tastiest!

SLIME LAB

SUMMIT YMCA

AGES: 5-8	WEEK: 4
\$385	9:00 AM – 12:00 PM

Get ready for the gooiest week of the summer! Slime Lab takes messy fun to a whole new level as kids explore the science behind all things ooey, gooey, stretchy, and squishy. Throughout the week, we'll experiment with unique textures, colors, scents, and reactions while creating a variety of specialty slimes, from glittery and fluffy to magnetic and glow-in-the-dark. It's hands-on chemistry disguised as irresistible fun!

MONTCLAIR LEARNING CENTER

JUNIOR ROBOTICS

SUMMIT YMCA

AGES: 5-8

WEEK: 5

\$385

9:00 AM – 12:00 PM

Students are introduced to various robotics concepts such as simple and motorized machines by building and programming robots with the LEGO® Education WeDo™ Robotics Construction Set. The students have fun using motors and sensors and learning basic engineering concepts such as pulleys, belts, gears and levels.

MONTCLAIR LEARNING CENTER

JURASSIC LAND

SUMMIT YMCA

AGES: 5-8

WEEK: 8

\$385

9:00 AM – 12:00 PM

Children will step into the role of real paleontologists as they investigate dig sites, use kid-friendly tools to uncover hidden fossils, and learn to identify the ancient creatures they belonged to. Throughout the week, campers will explore how dinosaurs lived, moved, and adapted. Plus, they'll put their new knowledge to the test by designing and building their very own dinosaur using everyday materials and tons of imagination.

NEW

MONTCLAIR LEARNING CENTER

KITCHEN CHEMISTRY

BERKELEY HEIGHTS YMCA

AGES: 5-8

WEEK: 5

\$385

9:00 AM – 12:00 PM

Campers will dive into the tasty world where kitchen creativity meets real science. Using everyday ingredients, they'll explore the chemistry of food through exciting, hands-on experiments, mixing, bubbling, and reacting their way to discoveries. Along the way, children will learn why these amazing reactions happen, turning ordinary cooking into a deliciously educational adventure.

MONTCLAIR LEARNING CENTER

POKEMON STEM

BERKELEY HEIGHTS YMCA

AGES: 5-8 WEEK: 7

\$385 9:00 AM – 12:00 PM

Campers will dive into the Pokémon universe while sharpening real STEM skills. They'll design and engineer their own Poké Ball, create original Pokémon characters, and build logic, critical-thinking, and strategy through interactive games and card play. It's the perfect blend of creativity, problem-solving, and Pokémon fun!

SUMMIT YMCA

AGES: 8-12

WEEK: 6

\$385

9:00 AM – 12:00 PM

Campers dive into the science of robotics! They'll explore circuits, sensors, and robotic design, and build their very own working robot to take home.

MAD SCIENCE

ROCKET BUILDING

BERKELEY HEIGHTS YMCA

AGES: 8-12

WEEK: 2

\$385

9:00 AM – 12:00 PM

Campers explore the physics of flight and rocket design as they build and launch real model rockets, learning about aerodynamics and propulsion along the way.

MONTCLAIR LEARNING CENTER

ELECTRICAL ENGINEERING

BERKELEY HEIGHTS YMCA

AGES: 8-12

WEEK: 2

\$385

9:00 AM – 12:00 PM

Students learn the basics of electronics while conducting hands-on experiments with different educational kits: Snap circuits, Makey Makey, littleBits. Student can build exciting and challenging projects as AM radios, alarms, musical instruments, remote-controlled cars and more. More experienced students will use Arduino to connect computers, sensors, and output devices to create interactive objects that can sense and control objects in the real world (sample interactive projects include a motion detector, automatic night light, thermostat, or talking clock).

NEW

MONTCLAIR LEARNING CENTER

HARRY POTTER STEM

BERKELEY HEIGHTS YMCA

AGES: 8-12

WEEK: 8

\$385

9:00 AM – 12:00 PM

Calling all young muggles! Step into a world of spells, potions, and hands-on magical creations. Campers will design and build their own light-up magic wands, engineer catapults to launch snitches across the room, and whip up bubbling "potions" through fun, science-based experiments. A week of pure imagination and wizarding adventure awaits!

MONTCLAIR LEARNING CENTER

ROBOTICS

SUMMIT YMCA

AGES: 8-12 WEEK: 2

\$385 9:00 AM – 12:00 PM

Have fun while learning practical STEM skills. You are the engineer! Build your own remote control car, animal bot or electric guitar using the LEGO® Mindstorms® NXT Robotics Construction Set. The students build and program their robots using motors and external inputs such as touch, sound and light sensors. The students use their new skills to meet challenges such as following lines, processing sound or navigating a maze.

MONTCLAIR LEARNING CENTER

ROCKETRY

SUMMIT YMCA

AGES: 8-12 WEEK: 7

\$385 9:00 AM – 12:00 PM

3, 2, 1...Blast Off! Students will shoot for the moon this Summer applying basic physics concepts (angles, trajectory, aerodynamics, thrust, Newton's Laws) and the engineering design process in hands-on projects such as designing, building and launching their own rockets.

Our Leaders in Training (LIT) program gives teens the opportunity to step into leadership while gaining real, hands-on experience. Offered during select weeks from June through August, participants take part in weekly leadership workshops, learn how to work with children of all ages, and support YMCA camp programs alongside experienced staff. LITs accompany camp trips, practice responsibility in real settings, and develop the skills needed to become future summer camp counselors. Through mentorship, feedback, and meaningful involvement, teens strengthen communication skills, teamwork, and a growing sense of leadership and service.

\$200 **9:00 AM – 12:00 PM**

The Teen Chef Summer Program is a two-week, hands-on culinary experience where teens explore the creativity and flavors of summer cooking. Campers learn essential kitchen skills while preparing seasonal dishes from appetizers to desserts through daily, guided cooking sessions. Along the way, teens build an understanding of nutrition and healthy habits, work collaboratively with peers, and gain confidence in the kitchen. Designed for beginners and budding chefs alike, the program leaves participants with practical skills and a collection of recipes they'll be excited to make again at home.

VOLUNTEENS

SUMMIT YMCA

AGES: 5-8 **WEEK: 3-4**

N/A **9:00 AM – 12:00 PM**

VolunTeens is a free, two-week summer program for teens ages 13-17 who want to give back while gaining real-world experience. Participants spend part of each day volunteering with local organizations, including YMCA branches and community partners, while building leadership, communication, and teamwork skills. Through hands-on service and group activities, teens explore different ways to support their community, earn volunteer hours, and contribute to meaningful projects alongside their peers. VolunTeens offers a rewarding summer experience rooted in service, connection, and personal growth.
