We believe we're all better off when we're part of an us and we are grateful to the many who invest in our community through program participation, partnerships, and philanthropic support of the Y. Together we uplift our communities and continue to make opportunity accessible to all.

OUR MISSION

For 140 years, the Summit Area YMCA has served as a vital support system working to provide children, families, and individuals of all ages with the resources and opportunities needed to learn, grow, and thrive.

Our purpose is dedicated to enhancing the physical, mental, and social well-being of our community. At the Y, you'll find a supportive environment that fosters personal growth, improves health, empowers youth, and builds meaningful connections.

140 YEARS STRONG. 175 YEARS OF IMPACT.

In 2026, the Summit Area YMCA (SAY) marks 140 years of serving its community, alongside 175 years of the YMCA of the USA strengthening communities across the country.

In 1886, the Summit YMCA began with a simple but powerful idea: that the community needed a place where people, especially young people, could come together with purpose. Early members gathered in borrowed spaces, offering programs, conversation, and connection at a time when such opportunities were limited. What started as a small, local effort quickly grew, expanding facilities, introducing new programs, and responding to the changing needs of a growing community.

Over the decades, the Y has both reflected and helped shape progress in Summit, from expanding access and embracing inclusion, to supporting working families through the creation and growth of early childcare, to building programs that strengthen health, confidence, and connection across all ages. Through every chapter, one thing has remained constant: a commitment to meeting people where they are and helping them move forward with dignity.

That spirit continues today. The SAY's flagship location, the Summit YMCA, has been reimaged for the future after a transformative renovation in 2023, ensuring it remains a welcoming, modern space for all who walk through its doors. In 2025, the Summit Area YMCA received Praesidium Accreditation® for achieving the highest industry standards in abuse prevention.

More than a milestone, this anniversary is a celebration of the generations of people who have found a place here, built strength, and created lasting connections. It is a legacy still being written, grounded in community and driven by a shared popular belief that everyone deserves the opportunity to learn, grow, and thrive.

YOUTH DEVELOPMENT

1,096

Students were inspired to learn, play and grow in our early education and school age childcare programs

1,201

Youths tried new activities, made lasting friendships, and gained independence at summer camp

243

Teens found a sense of belonging through free recreational programs like 7th Grade Initiative, Achievers & Girls Night In

2,400

Kids spent time in Kid Zone expanding social skills under safe care while their parents participated in activities at the Y

1,233

Children enrolled in swim lessons where they developed strength, water skills, and confidence

1,174

Young athletes advanced their determination and sportsmanship through youth sports programming

HEALTHY LIVING

638,565

Total visits to our Y supporting members in reaching their fitness goals and maintain healthy habits

108,552

Group fitness class reservations for building strength, staying active, and remaining healthy

130

individuals reclaimed their mental health and physical strength in our recovery programs like LIVESTRONG® at the YMCA and Parkinson's Exercise

176

Participants improved their quality of life becoming more active and engaged through our active older adults enrichment programs

707

Adults gained agility, endurance, speed, friendships, and their love for the water in our aqua fitness classes

412

Pickleball players upped their skills and found friendly competition in a social atmosphere

SOCIAL RESPONSIBILITY

1,240,339

Dollars in financial assistance awarded ensuring that cost is not a barrier to wellness and community

4,994

Meals provided to families through our food distribution programs meeting critical needs and lifting stress

2,306

Locals found joy, celebration, and new friends attending our community-strengthening events

4,753

Hours served giving back and supporting our neighbors through volunteering

598

Dedicated staff committed to furthering the Y's mission as a vital support system in the community

15,874

Total members finding connection, opportunity, and empowerment through Y programs and services
